 - D) Deletion of personal data and disposal of equipment, electronic media, etc.
- ④ Technical security control measure
Measures to prevent access restrictions, unauthorized access from outside, and leakage due to the use of information systems
- ⑤ Understanding of the external environment
To the understanding of systems for the protection of personal information in countries where personal data is stored and to the systems of each country
Implementation of safety management measures

4. Provision of personal information to a third party

Personal information acquired through We is not provided to any third party except under the provisions of With the Personal Information Protection Law or other laws and regulations, such as when any of the following applies.

In the event of provision to a third party

- ① In the event the employee agrees in advance
- ② In the event the handling of personal data is entrusted to the extent necessary to achieve the Purpose of Utilization
- ③ Succession of business due to merger, company split, transfer of business, or any other reason
- ④ Joint Use Based on With the Personal Information Protection Law

5.Procedures for Requests for Retained Personal Data and Disclosure Requests for Records Provided by Third Parties

5-1 Type of Various claims

We will comply with the provisions of 5-2, 5-3, and 5-4 in the event of the following requests for retained personal data (as defined by With the Personal Information Protection Law; the same shall apply hereinafter) of We or requests for disclosure of records of provision to third parties (hereinafter collectively referred to as "Various claims").

- ① Notification of the purpose of use
- ② Correction, addition, or deletion of the content (hereinafter collectively referred to as "Correction, etc.")
- ③ Suspension or elimination of use (hereinafter collectively referred to as "Suspension of Use, etc.")
- ④ Disclosure of Retained Personal Data and Records Provided to Third Parties
- ⑤ To stop provision to third party

5-2 Various claims Procedures

(1)Request to request

Please visit the Inquiry ([Link](#)) on the official website of We and select "Idemitsu Unitech (We)" in the Inquiry Category to request.

(2)Method of Claim

- ① In the event of a claim for disclosure of retained personal data or a request for disclosure of record of provision to a third party

Please notify us by mailing the following necessary documents to the address stated or indicated at the contact point for inquiries mentioned in (1) above. We would appreciate it if you could write in red on the envelope, "Application documents for personal information are available. A fee of 1000 yen per invoice shall be paid (postage stamps equivalent to the actual cost of sending the answer, provided, however, that a separate fee and payment method may be prescribed depending on the method of response or the amount of the response).

<Require documents>

- Application Form for Retained Personal Data or Record of Provision to a Third Party (Appendix 2)
- A copy of one of the driver's license, health insurance card, passport, My Number card, pension pocket-ledger, or special permanent resident certificate (for both the principal and the proxy if requested by the agent)
- (Publics where the current address is not stated in the identification document described above) In addition to the identification document described above, a copy of the resident's card or fee bill that can confirm the name and current address of the principal (both the principal and the proxy in the case of a request from the agent)
- (only in the case of a claim from an agent) a power of attorney or other document that can confirm the relationship of representation with the principal
- Postage stamps worth 1000 yen (provided, however, that the amount of fees and the method of payment may be separately set forth).

※If there are any deficiencies or lacks in the above documents, we will notify you of this. However, if the necessary documents are not completed within two weeks of the notification, we will treat them as not being billed. Please note that We may contact you by telephone or other means to confirm the details of your request.

※If we do not pay the prescribed fee after the receipt of the notice, we will treat the claim as not made. In addition, please note that we will not return the commission for any reason.

- ② In the event of a claim for Correction, etc., Suspension of Use, etc. of retained personal data, shutdown of provision of such retained personal data to a third party, or notification of the Purpose of Utilization

Please inform us of the details of your request at the inquiry counter described in (1) above. In accordance with the information provided, please provide us with the information necessary for identification such as the name, address, date of birth, and telephone number of the applicant. In addition, as in the case of a claim for disclosure of retained personal data or a request for disclosure of a record of providing personal information to a third party, the submission of identification documents may be requested. In addition, in the event of a claim from an agent, please provide a document (or other equivalent method if it is difficult to provide a document) that will enable you to confirm the relationship of representation with the principal.

(3)How to confirm the identity and proxy

We will confirm the identity and the proxy by confirming the information required for the identification and agent confirmation provided and the contents of the identification documents and agent-related confirmation documents.

(4) Manner of response to a request

Requests for disclosure of Retained Personal Data or requests for disclosure of Records of Provision of Third Parties shall be submitted in accordance with the request of the requester by sending a document to the current address stated in (2) or by sending an electromagnetic record to the e-mail address stated in (2) of the request form attached to an e-mail. Provided, however, that in the event the disclosure by the latter method requires a large amount of expense or otherwise it is difficult to disclose by the latter method, we will notify you thereof and answer to you by the former method.

In the event of Correction, etc., Suspension of Use, etc. of retained personal data, shutdown of provision to a third party, or request for notification of the Purpose of Utilization, the Company will respond in the manner prescribed by We.

5-3 Purpose of Use of Personal Data Obtained in Relation to Various claims

Personal information obtained in connection with Various claims shall be used only for investigations to respond to claims, verification of the principal or agent, sending of responses, and required communications. The documents will be disposed of within six months after the answer is completed.

5-4 Failure to comply with Various claims

In the event of any one of the following, We shall not respond to the claim and shall notify the Applicant thereof.

- (1) Cases where Identity Confirmation Cannot Be Confirmed
- (2) In the event the authority of representation is not confirmed upon the request by the agent
- (3) Cases where the Subject Matter of Various claims does not fall under Retained Personal Data
- (4) When Correction, etc. is not required from the viewpoint of the purpose of use or when the indication that it is an error is not correct
- (5) In the event the request for Suspension of Use, etc. is groundless
- (6) In the event the provision of the Third Party is made without violating With the Personal Information Protection Law
- (7) Other cases provided for by law.

6. For further inquiries regarding personal information, please contact

For consultations about personal information other than the above Various claims procedures, such as changes in the registered content of websites and contents operated by We, suspension of services, or other inquiries, complaints, or inquiries about personal information, please use the following methods.

(1) Contact information provided on the official website of We ([here](#))

(2) If you are calling: We telephone number: 03-6865-8840 or

Idemitsu Kosan Customer Center: 120-132-015

Business Hours: Monday to Friday 9:30 AM to 5:00 PM

(Excluding Saturdays, Sundays, national holidays, year-end and New Year holidays, and holidays designated by We)

※ For telephone calls received from customers, check the contents of calls, improve service quality, and improve product services.

We have recorded it for development.

※ You cannot use this service from IP phones.

7. Notice to Individuals and Report to the Personal Information Protection Committee

In the event of leakage of personal information, We shall notify the Customer and report to the Personal Information Protection Committee in accordance with the provisions of With the Personal Information Protection Law.

8.Revision of this Privacy Policy

We may revise the content of this Privacy Policy without prior notice. Its validity shall accrue from the time it is published on the Site. Provided, however, that in the event the Purpose of Use of personal information obtained is changed beyond the scope reasonably recognized as being related to the Purpose of Use prior to the change, agree shall be obtained from the Person with regard to the Purpose of Use after the change.

Revised on January 6, 2025

This site is under the control of Idemitsu Kosan. The Site may be accessed from countries across the world where the laws differ, but the user agrees to be bound by the laws of Japan with respect to use of the Site.

In addition, We will not make any statements or displays on the website regarding the appropriateness of the contents of this site in the circumstances of the visitor. Access to this site shall be at the discretion of the accessing party, and the accessing party shall be responsible for the use of this site.
